CTIS Instant Issue Build Over - Sewer Indemnity

If the local authority or water company need to obtain access to a sewer to carry out necessary maintenance or repair works which results in damage or destruction to the property or part of the property, the policy will provide cover, up to the limit of indemnity shown in the policy schedule, for:

- The increased costs incurred by the local authority and/or water company which are payable by the Insured where such costs are caused by the existence of the building on the property being situated above or within 3 metres of the sewer
- Legal costs and expenses incurred by you with our prior consent defending any claims by the local authority and/or water company for the increased costs described above
- The costs of reinstating or repairing damage to the building caused by access being required to the sewer for carrying out necessary maintenance or repair works.
